# CHRYSAI CLEAR PROFESSIONAL #2 T-BAG

## Cut Flower Processing Solution

- ⚙️ T-Bag contents dissolve into clean and odorless solution
- ⚙️ Chrysal T-Bag hydrates and nourishes fresh cut flowers
- ⚙️ Solution is reusable for up to 6 days

3-Gallon  
Bucket

Drop 1  
T-Bag for 1  
gallon of  
water

T-Bag will remain in the bucket for visual control (see picture).

1. Place a T-Bag into a clean bucket.
2. Fill the bucket with tap water up to the 1-gallon mark.
3. Carefully add freshly cut flowers to the water.

\*Do not use with other Floral solutions

All metal buckets **MUST** have a liner. Do not use without liners.
