

# CHRYSAL

Food Solution For Your Ornamentals!

## Cut Flower Universal Food

Chrysal Cut Flower Universal Food enhances the longevity of fresh cut flowers, nourishing them with essential nutrients, promoting bud and flower growth, and reducing pH levels for better water uptake. Easy to use, it's a sustainable choice that minimizes waste and ensures long-lasting, quality floral arrangements. Ideal for both florists and flower enthusiasts.

## Cut Flower Rose Food

Elevate your roses with Chrysal Cut Flower Rose Food. This balanced liquid plant food supports big, beautiful blooms for all rose varieties. It's the solution for popular rose bouquets, maintaining leaf quality, preventing "bent-neck," and enhancing fragrance, bud opening, colors, and bloom size. Convenient and ready-to-use, it simplifies caring for your roses.

## Christmas Tree Food

Enhance your holiday with Chrysal Christmas Tree Food. It will prolong your Christmas tree's vibrancy, reduce needle drop, and preserve its rich color. Easy to use, add one capful to a liter of water when setting up your tree, and repeat every 5-7 days. Enjoy a cleaner, longer-lasting centerpiece for your celebrations.
