

CHRYSAI: FIRST TO MARKET WITH A 99% BIO-BASED FORMULA!

We're excited to announce the transition of our No Cut formula to a new, more sustainable option.

Key Benefits of the New 99% Bio-Based Formula:

- ⚙️ **Derived from Biological Renewable Resources:** All ingredients come wholly or partly from renewable sources such as plants.
- ⚙️ **Contributing to a Bio-Based Economy:** Supporting sustainable practices for a healthier planet.
- ⚙️ **Better Performance:** Slightly outperforms the current No Cut formula and the New & Improved formula.
- ⚙️ **Keeps Flowers Fresher:** Flowers remain fresh for longer.

Comparative Performance:

Only Water
