

WEDDING & EVENT Flower Care Kit

Flower Stripper

These flexible strippers have rubber fingers that are just firm enough to strip thorns and foliage without tearing the back of the rose stem.

Full Bloom

Enhances color, size, scent and overall full development of cut flowers. Perfect for events and wedding flowers.

Chrysal Leafshine

Chrysal Leafshine adds an instant natural gloss to leaves, and cut foliage. It removes water spots and calcium deposits, and it gives a protective shiny layer which keeps dust away.

Chrysal Glory

A unique holding spray that helps to retain essential moisture within the cut flower or foliage without the need for extra hydration.
