

Chrysal Professional Glory – *Spray for Optimal Freshness of Cut Flowers and Foliage*

Overview: Chrysal Professional Glory is a water-based spray specifically designed to reduce transpiration and maximize the freshness of all types of cut flowers and foliage, particularly beneficial for arrangements without a direct water source. Ideal for maintaining vibrant and fresh floral designs, this environmentally friendly spray is easy and quick to apply.

Key Benefits:

- Maintains natural flower colors and freshness.
- Keeps foliage firm, vibrant, and green.
- Reduces deterioration and extends freshness.
- Provides an invisible protective shield without leaving residue or stains.
- Odorless and environmentally friendly, water-based formulation.

Convenient Application:

- Especially effective for bridal bouquets, corsages, and similar arrangements.
- Available in a practical 500 ml trigger spray and a 1-gallon refill container.
- Quick and simple application.

Cost Efficiency & Quality Assurance:

- Reduces overall flower and foliage wastage.
- Enhances the longevity and aesthetic quality of arrangements.

Instructions for Use:

- **Preparation:** Shake well before use.
- **Application:** Lightly spray flowers and foliage from a distance of 10 - 16 inches (25 - 40 cm).
- **Storage:** Keep in cool, dry, and dark conditions (optimal temperature range 41°F and 77°F / 5°C to 25°C).
- **Shelf Life:** Up to 18 months in sealed packaging when stored correctly.
