

Chrysal Cut Flower Rose Food (Consumer Bottle) – *Tailored Nutrition for Roses*

Overview: Chrysal Cut Flower Rose Food is specially formulated for the most iconic and beloved flower—roses. Suitable for all rose varieties and mixed bouquets containing roses, this easy-to-use solution in a 250 ml consumer bottle ensures vibrant blooms, firm stems, and extended vase life for maximum enjoyment at home.

Key Benefits:

- Increases vase life by up to 60% compared to water alone.
- Promotes bud opening, vibrant color, and optimal bloom size.
- Helps prevent bent neck and maintains leaf quality.
- Guarantees vase life of 7+ days under proper use.
- Lowers water pH to support hydration.
- Mixes clearly and odorlessly in water.

Convenient Application:

- Designed for use in vases and floral foam.
- Suitable for all types of tap water.
- No need to change water or re-cut stems during vase period.
- Easy-to-dose cap—10 ml per liter of water.
- Available in 250 ml bottles for consumer use.

Cost Efficiency & Quality Assurance:

- Reduces flower wastage.
- Minimizes consumer complaints.
- Delivers premium quality at an affordable cost per stem.
- Delivers professional floral results at a low cost per stem.

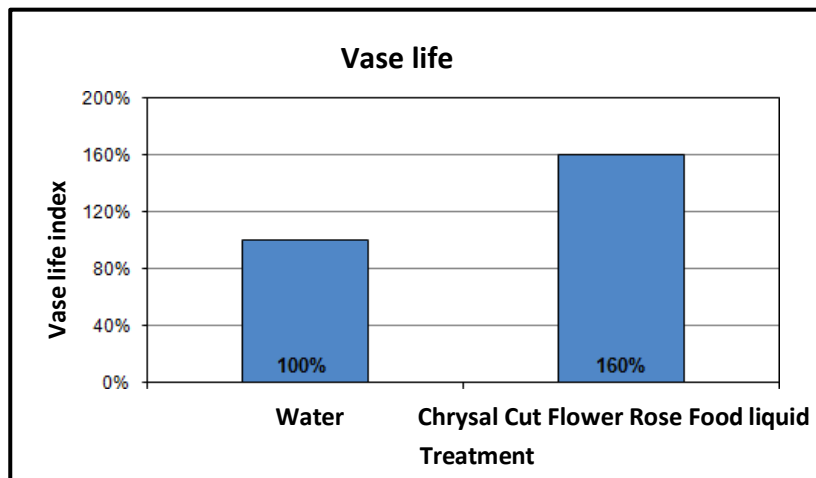

Usage Recommendations:

- **Dosage:** 10 ml per 1 liter of water (1 capful).
- **Storage:** Store in a cool, dark place (41°F – 77°F / 5°C – 25°C).
- **Shelf Life:** 18 months in sealed packaging under proper conditions.
- **Compatibility:** Avoid using in unprotected metal (zinc, copper, iron) or antique crystal vases.
- **Maintenance:** Top up vases with water treated with Chrysal Clear Rose flower food as needed.
- **Disposal:** Residual solution may be safely drained into the sewer system.
